**EMAIL** rettgunn@gunncondev.com  
**OFFICE** PO Box 81811, Atlanta, GA 30366

## COMPANY OVERVIEW

We have been in the construction business since the late 70's, working for various contractors in high school and college that worked with his father, an architect in Savannah, Georgia. Rett earned a Bachelor of Arts degree in Liberal Arts & Sciences/Liberal Studies from the University of Florida and a Bachelor of Technology, Building Construction from the University of North Florida. He began his career in Jacksonville, Florida with a large production homebuilder as an estimator and purchasing agent for the construction of over 1,000 homes per year.

After working in homebuilding for two years, Rett returned to graduate school at Texas A&M University, graduating in August of 1992 with a Masters of Science in Construction

Management. Following graduation, he moved to Washington, DC to work for a large construction management firm, 3D/International, from 1992 to 1998. In 1998, Rett joined Barton Malow Company in Atlanta where he was a Project Manager and a Business Developer.

Rett is a member of Chamblee Business Association, Johns Creek Chamber of Commerce and Associated Builders and Contractors of Georgia (ABC of Georgia).
